THE PLEDGE

I am a graduate of Howard University.
I am the bearer of the flame
of a Howard University education that has brought
light to many generations.
It is through the indelible love
and support of my family,
and the courage and sacrifices of my ancestors
that I am here today.
I accept the historic trust of their gifts
and pledge to lift others who come after me.

Howard University is my home.
No matter how far I travel from her,
no matter how long I am absent from her,
Howard University is always here for me.
I am defined by the privilege of a Howard University education.
I cannot fail in life; leadership, service, and the search for truth
and right will light my way.
My potential contributions to humankind are unlimited,
and I will give them freely and in abundance.

I am a Howard University graduate.
The opportunity of the Howard University experience
has conveyed to me a responsibility
to assure the strength of this great University.
It is only through my support that the Capstone
can remain strong and focused.
I pledge support and understand
that it is not a matter of choice, but one of responsibility.
I will never forget that responsibility.

I am a graduate of Howard University!

The pledge was written by Shawn Barney and Kofi Rashid in 1996.

LIFE EVERY VOICE AND SING

Lift every voice and sing,
Till earth and heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise,
High as the listening skies.
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod, bitter the chastening rod,
Felt in the days when hope unborn had died;
Yet with a steady beat, have not our weary feet,
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered,
We have come, treading our path through the blood of the slaughtered;
Out from the gloomy past, till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou Who has brought us thus far on the way;
Thou Who has by Thy might, led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met Thee,
Lest our hearts, drunk with the wine of the world, we forget Thee,
Shadowed beneath Thy hand,
May we forever stand,
True to our God,
True to our native land.

Lift Every Voice and Sing was written by James Weldon Johnson and set to music by J. Rosamond Johnson.

THE ALMA MATER

Reared against the eastern sky
Proudly there on hilltop high,
Far above the lake so blue
Stands old Howard firm and true.
There she stands for truth and right,
Sending forth her rays of light,
Clad in robes of majesty;
O Howard, we sing of thee.

Be thou still our guide and stay,
Leading us from day to day;
Make us true and leal and strong,
Ever bold to battle wrong.
When from thee we've gone away,
May we strive for thee each day
As we sail life's rugged sea,
O Howard, we'll sing of thee.

The Alma Mater was written and set to music by J.H. Brooks and F.D. Malone in 1916.

THE CONFERRING OF THE DEGREES, *HONORIS CAUSA*

For the Honorary Degree of Doctor of Humanities

MURIEL E. BOWSER

Mayor of Washington, District of Columbia

The candidate will be presented by Board of Trustees Chair Leslie D. Hale

The Honorable Muriel Bowser is the seventh elected mayor of Washington, D.C. She has a strong record of creating a bold urban policy agenda, making tough decisions in a high-stakes environment, and shaping a diverse economy.

Mayor Bowser has served her hometown of Washington, D.C., in elected office since 2004, including her work as an Advisory Neighborhood Commissioner (2004–2006), member of the D.C. Council (2007–2015), and mayor since 2015. She is only the second person to be elected mayor of Washington, D.C., three times and the first African American woman elected to three, four-year terms as mayor of an American city.

Since taking office, Mayor Bowser has reset D.C.’s global and national competitiveness, sped up affordable housing production, led the city through a global pandemic, diversified the economy, and cemented the city’s role as the “Sports Capital.” She has delivered transformational economic development projects that have created jobs and housing for D.C. residents, including projects at Audi Field, CareFirst Arena, St. Elizabeths East, Walter Reed, McMillan, Skyland, and The Wharf, and soon at the RFK campus.

Mayor Bowser has invested in programs and policies that allow more families to live and thrive across all eight wards. Those investments have led to consistent enrollment growth in public schools, increased student achievement, a record high graduation rate, and new opportunities for students, such as the new Advanced Technical Centers. She has long championed the University of the District of Columbia as a vital educational and workforce engine, and as mayor, has led the city in investing more than \$1.3 billion to expand student support, modernize facilities, and strengthen pathways to careers for D.C. residents.

Mayor Bowser is a proud fifth-generation Washingtonian. She tells everyone that there’s only one job better than being mayor of her hometown, and that’s being Miranda’s mom. She and Miranda call Ward 4 home.

Mayor Bowser holds a Bachelor of Arts degree from Chatham University and a Master of Public Policy degree from American University.

For the Honorary Degree of Doctor of Music (Posthumously)
THE REVEREND RICHARD L. SMALLWOOD
Renowned Gospel Artist, Composer, Music Director, Pianist, and Arranger
The candidate will be presented by Trustee Miichele V. Hagans

Richard Lee Smallwood, affectionately known as “Buddy,” “Uncle Richard,” and “Papa,” was born on November 30, 1948, in Atlanta, Georgia. A musical prodigy from an early age, he began playing piano by ear at just five years old after receiving a toy piano from his mother. By age seven, he was studying formally, and by eleven, he had already formed his first gospel ensemble, the Baby Smallwood Singers.

Raised in Washington, D.C., where his stepfather, Rev. Chester Lee Smallwood, pastored Union Temple Baptist Church, Richard’s musical and spiritual foundations were deeply shaped by the church. His early work with the Union Temple Young Adult Choir led to the composition of “I Love the Lord” in 1975, a piece that would later become a cornerstone of his musical legacy.

A graduate of Howard University’s Fine Arts program, Smallwood cultivated relationships with some of the most influential artists of his generation, including Phylicia Rashad, Debbie Allen, and Donny Hathaway. During his time at Howard, he was a founding member of the Howard Gospel Choir and performed internationally with the Celestials, who made history as the first gospel group to perform at the Montreux Jazz Festival in Switzerland in 1973.

In 1977, Smallwood founded the Richard Smallwood Singers, introducing a sophisticated and contemporary sound to gospel music. Their debut album remained on Billboard’s Spiritual Albums chart for 87 weeks, and subsequent releases garnered critical acclaim, including Grammy nominations and chart-topping success. His later formation of the Vision choir further expanded his musical reach, producing iconic works such as “Angels,” “Healing,” and the globally revered “Total Praise.” Released in 1996 and inspired by Psalm 121, “Total Praise” became a defining composition in modern gospel music. Widely translated and included in hymnals across denominations worldwide, it remains a staple in worship services across the globe.

Beyond performance and composition, Smallwood’s contributions extended into education and ministry. He earned a Master of Divinity degree from Howard in 2004 and was ordained that same year. His honors include multiple Stellar and Dove Awards, induction into the Gospel Music Hall of Fame, and recognition by the Smithsonian Institution as a gospel music innovator. In 2023, he received the President’s Lifetime Achievement Award from U.S. President Joe Biden.

As a songwriter, Smallwood’s influence reached far beyond his own recordings. His compositions have been performed by legendary artists such as Whitney Houston, Aretha Franklin, Yolanda Adams, and Destiny’s Child, among many others — cementing his place as one of the most impactful composers in gospel music history.

In 2019, he added “author” to his legacy with the release of his memoir “Total Praise: The Autobiography,” offering a transparent and deeply personal account of his life, career, and journey through faith, including his openness about mental health challenges.

Despite decades of accolades and global recognition, Richard Smallwood remained grounded and known for his warmth, humility, and joyful spirit. Whether at the piano, in conversation, or among loved ones, he carried a quiet brilliance and a heart devoted to both excellence and service.

A masterful musician, composer, arranger, and producer, Richard Smallwood leaves behind a legacy that transcends generations — one defined by innovation, faith, and a sound that continues to inspire the world.

THE MACE

THE MACE is the ceremonial symbol of the University and is carried by the University marshal. One of the earliest visual images of the mace is the front-side of the “Narmer Palette” of Ancient Egypt, an oval-shaped cosmetic palette inscribed with human and anthropomorphic figures. King Narmer is depicted on the palette as a mighty conqueror wielding a mace over a symbolic enemy. King Narmer, also known as King Menes or King Midas to the ancient Greeks, unified Upper and Lower Egypt *circa* 3100 B.C., ushering in the great pyramid building of the old kingdom dynasties (c. 3000-2150 B.C.) of Imperial Egypt. At today’s Convocation, the entry of the mace heralds the arrival of the academic procession.

THE BATON

THE BATON carried by the marshals and assistant marshals of each school is being used to lead the academic procession of the respective schools and colleges into and out of the place of the ceremony. The batons are made of wood, painted blue, and tied with red, white and blue ribbons denoting the colors of Howard University.

THE ACADEMIC DRESS

THE CAP, GOWN, AND HOOD worn at college and university functions date back to the Middle Ages. Monks and students used them to keep warm in medieval castles and halls of learning. From these practical origins, they have developed into the accepted garb which symbolizes scholarly achievement.

Baccalaureate gowns have a long pleated front with shirring across the shoulders and back. They are primarily distinguished by flowing sleeves, pointed at the fingertips. These gowns may be worn either open or closed.

The master’s degree gown is worn open, and the sleeve is cut so that the forearm comes through a slit just above the elbow.

Gowns for the Doctorate degree are also worn open. They carry broad, velvet panels down the front, and three velvet bars on the full, round sleeves. This velvet trimming may be either black or the color distinctive of the degree.

Mortar board or caps worn with baccalaureate and master’s gowns generally have black tassels. The tassel of the doctoral cap is usually made of gold bullion. The blue Kente stole worn by the graduates was commissioned for the 1996 Commencement by the University and produced in Ghana. The stole depicts the Nkasewa pattern, which means eloquence, wisdom, and intelligence, and the symbol, Fi-Hankra, means safety, security, brotherhood, and solidarity. Faculty members and guests in today’s procession are robed in gowns and hoods which represent the institutions from which they have received degrees. The hood gives color and real meaning to the academic costume. Its silk lining bears the colors of the institution conferring the degree. The hood is bordered with velvet of prescribed width and color to indicate the field of learning to which the degree pertains as follows: medicine, green; music, pink; nursing, apricot; pharmacy, olive green; public administration, peacock blue; science, gold yellow; social work, citron; theology, scarlet; architecture, blue violet; arts, letters, and humanities, white; business, drab; dentistry, lilac; education, light blue; engineering, orange; fine arts, brown; law, purple; and philosophy, dark blue.

THE HONOR MEDAL AND HONOR CORD

THE HONOR MEDAL and HONOR CORD are worn by graduates who have achieved cumulative grade point averages making them eligible for the cum laude, magna cum laude, or honors. The medal and honor cord symbolize that excellence is a hallmark of Howard University. The medal was commissioned by Howard's President *Emeritus*, H. Patrick Swygert, for the 1996 graduating class. Its round shape is enhanced with a gold finish, symbolizing the eternal and universal value of excellence. The center of the seal asserts the mission of the University –“truth and service.” Encircling the seal is the phrase, “Honors Graduate and Leadership for America,” which heralds excellence and the contributions of Howard University to the nation. The silver honor cord symbolizes the high academic rank of *magna cum laude*. The gold honor cord worn by graduates symbolizes the highest academic rank of *summa cum laude*.

THE TORCH PIN

THE TORCH PIN symbolizes that responsibility and excellence in leadership have been passed down and entrusted to the graduating seniors. It was commissioned by Howard's president emeritus, H. Patrick Swygert, for the 1997 graduating class. Its round shape is enhanced with a gold finish, symbolizing the eternal and universal value of excellence. Encircling the seal is the phrase, “Howard University — Bearers of the Torch,” which emboldens graduates to go forth in the Howard tradition to serve as beacons of hope and light in their respective communities.

THE UNIVERSITY'S HONORARY DEGREE MEDAL

THE UNIVERSITY'S HONORARY DEGREE MEDAL, worn today by our distinguished honorary degree recipients, is formally presented to them at the annual Commencement dinner held in their honor. These medals commemorate the high esteem and honor bestowed upon them as honorary degree recipients at Howard University's Commencement Convocation.

THE PRESIDENTIAL CHAIN OF OFFICE

THE PRESIDENTIAL CHAIN OF OFFICE, worn by Wayne A. I. Frederick, interim president, president emeritus, and Charles R. Drew Professor of Surgery, was presented to the University on the occasion of the Centennial Celebration in 1967 by the late trustee emeritus, Herman B. Wells, and his late mother, Mrs. Granville Wells. It is a visible symbol of the Office of the President and has been worn by all presidents of Howard University, since 1967. The basic material of the chain is sterling silver, plated with hard gold. Both the University Seal and the Centennial Seal are appended to the chain.

THE CONFERRING OF DEGREES IN COURSE

The order of presentation of schools and colleges for the conferring of degrees is based on two factors—the year of establishment of the school or college and the distinction between graduate/professional and undergraduate programs. The first six schools and colleges, beginning with the College of Arts and Sciences and ending with the College of Nursing and Allied Health Sciences, were established between the years 1868 to 1974. Undergraduate programs are predominant in these six schools and colleges. The next six schools and colleges, beginning with the College of Medicine and ending with the School of Social Work, were established between the years 1868 and 1945. These schools and colleges offer professional graduate level programs. The last school listed, the Graduate School, was established in 1934 and offers graduate-level programs exclusively.

The appearance of a name in this program is presumptive evidence of graduation, but it must not in any sense be regarded as conclusive. The diploma of the University, signed and sealed by its proper officers, remains the official testimony of the possession of the degree. A single asterisk () following a name denotes a posthumous degree candidate. A double asterisk (**) following a name denotes a dual degree graduate.*
